Dear Sir or Madam:

I wanted to take a moment to express my gratitude about Parag Bagul. He has worked diligently to provide information on a previously undisclosed security vulnerabilities. The information provided was thorough, with links out to additional information on the vulnerability outlined.

The information provided allowed the university to quickly patch the issue and then verify the patch's function. I can not tell you how nice it is to receive such thorough reports.

Parag Bagul is a knowledgeable and resourceful individual. Any company would be lucky to employ him.

Sincerely,

**Bryan Teague**
